Condé Nast Traveler *"Top Travel Specialist Award"* 2001-2005

Praiano

Just opened in June, **Casa Angelina** is the **Delano Hotel** of the **Amalfi coast**. Sandwiched between **Positano** and **Amalfi**, this very cool, all-white hotel is definitely unique for this area, indeed. The modern, luxurious guest rooms/suites have oversized bathrooms and terraces with incredible views of the coastline. The state-of-the art techno gym, gastronomic restaurant, trendy cigar room and private beach only add to the chic ambience of this lifestyle hotel.
